to Newport News the Virginia Lupkow and Uszok Passes.

Apes have become the rendezvous of Lupkow and Uszok Passes.

The remnants of the Austrian force that invaded Russian Researchia, forth of Bukowina, is being forced back upon the Remnantan border, part of the Austrians having been an-Capes have become the rendezvous of the British vessels of war which have that been cruicing around at the gateway of New York Harbor for weeks.

The cruisers Essex, Suffolk and Borwyck and the converted cruiser Caronia are no longer in evidence along the Jersey Coast. Two United States torpedo boat destroyers, the McDougall and Parker, were sent MISSIONARY FREED outside to patrol the harbor entrance in the interests of neutrality volterday.

The Princess Irene, with a speed of 21 knots, the Kaiser Wilhelm II, with taking on coal for the past two days. erently their bunkers are full, and coal is being stored elsewhere on

The Hamburg - American Hoers Pennsylvania and President Lincoln, ach of eighteen knots speed, are also

Down at Pier No. 23, South Brooklyn, the President Grant has taken on coal and her forward upper deck completely boxed in with new lume. On the other side of the pier the man vessel Pisa, which coaled in August and discharged her coal later coal within three days until her Plimsol line has disappeared.

The barbor war strategists are unake advantage of the absence of the cruisers and try to get out to sea or coaling activity is designed to draw the cruisers back to sight of ose Lightship again, thus giving he Prinz Eitel Friedrich & chance to get out of Hampton Roads. No one

If is also rumored that the cruiser Earlsruhe, reported sunk in the West Indies, is really in the company of the Kronprins Wilhelm on a coal

### RUSSIANS SEIZE RAILROAD LEADING INTO HUNGARY

Petrograd Says Austrians Were Forced Back Between Carpathian Passes.

PETROGRAD, April 2.- By almost tween the Lupkew and Thank passes the rankup leading through Vota Michova and Luphow southward in to Hingary, according to disputched received here today.

The fight og was particularly tot ter near Voice Michova, where the Austrians held strong positions in the on the billishes and wartanglements. To the east of Vola Michova an Adstro-German force of wine present backward in the direction of the timesk.

The Lupkew-Uszek region is now the scene of the most desperate fighting. South of the Dukla, where the Russians have entrenched in the footbills, the Austrians have abandoned their attacks. Both sides apparently are awaiting the result of the great

nihilated. There is every prospect that the retreating Austrians will be forced to cross into Roumania and be interned for the remainder of the

#### BY THE GERMANS ON PLEA OF UNITED STATES.

After having been detained in Ger a speed of 23 knots, and the George many for nearly seven months, Cor-Washington, which can reel off 21 nelius Unruh, a Russian of military knots, are all coaling at their Ho- age and a Mennonite missionary atboken piers today, and have been tached to the South India Mission under the direction of the American Saptist Foreign Mission Society, has been released and has reached this country. Mr. Unruh's release was brought about by the American State Department.

Mr. Unruh was in Germany at the outbreak of the war, en route to India from this country. As he was a Russian he was detained. Hefore the German authorities would consent to release him it was necessary for the society to summon him to this country and for the American Government to agree that he would be permitted to land. Mr. Unruh himself

the war.

Mr. Unruh and his family expect to remain in this country during the summer and will sail for India in the

### rials whether the German ships will PROPERTY CLERK STRICKE!

Thomas F. O'Connor Is Very III With Paramonia.

1, 1964, has been property clerk at Police Headquarters, is very ill with salowed with the proper credentials belowed an the terman piers in 110-boxen or South Brooklyn. No information can be obtained from the offices of the North German Lloyd or the namburg-American line.

Any or all the snips mentioned above are free to leave this port whenever their commanders choose to see that the Government asks is that they take out clearance papers. This would be a matter of about five misutes. A captain might leave the boken by subway, clear his ship at the Custom House and then catch has with a tug or launch from the Battery as she went down the bay.

The Kronpring Wilhelm, which left this port aug. 4 and has not touched another port since, so far as is indown, has not been heard of for soveral weeks. It is rumored that she is not far from New York, seeking at the sales or tumored that the cruiser.

JUAREZ, April 2.—The Juares entries

It is also rumored that the cruiser arise the reported sunk in the West Indian, is really in the company of the Kronprins Wilhelm on a coal anthering quest.

BELGIAN WOMEN MINERS

These girls range from fifteen to twenty years of age any about 60,000 certain number of them to return to their work. Under greatly improved of them were employed in the mines. On account of great hardships follow- conditions there are now about 5,000 girls and women at work again. They ing the loss of employment in the mines it was found necessary to permit a are permitted to work above ground only and no more than ten hours per day.

#### MAKE MEXICO CITY **NEUTRAL, U. S. URGES**

Villa and Zapata Agree and Carranza's Consent Is Sought

WASHINGTON, April 2 .- Another altempt was made to-day to have Mexico City declared neutral.

The original plan of creating a Fedral District police force, to replace nilitary guards, and the pledging of all factions to stay away from the capital and its environs have been indorsed by the State Department. Villa and Zapata are understood to have greed. Consul Sillman is endeavorng to secure Carranza's consent.

Advices from Torreon to the Villista junta say Villa already has arranged expeditions to head off sorties by his enemies intended to cut the main railway to the north and to Mexico City. He has also started an expedition toward Northern Sonora and was expected to leave there to-day to assume personal command of operations against Matamoras.

The Villistas, in a manifesto issued to-day, claim that they dominate four-fifths of Mexico.

### CAR HITS ROAD WAGON.

Two Men Hurt and Horse Killed In Broadway.

Charles Fleming of No. 329 West Eighty-fourth Street, thirty-three years old, took his valet, Herman Sabricus with him for a drive on the Speedway ate this forenoon. He had a fine trot ter hitched to a cobwebby road wagor As he was crossing Broadway on Nagle venue a Broadway car speeding down the sharp grade struck the rig.

Fleming and Herman Sabricus, his man, were flung to the pavement and bruised from head to foot. The horse was instantly killed and the wagon ground to splinters. Police Sergt. Kelly, a passenger in the car, carried the men to go out and get was scared, but I went out once and ground to splinters. Police Sergt. Kelly, a passenger in the car, carried the men to go out and get was scared, but I went out once and got scared outside and came back. The Polignano told me where to go to the sidewalk and gave them first aid.

#### KILLS SELF ON STEAMER.

Believe Newark Man Cut Throat and Leaped Overboard.

FALL RIVER, April 2.—The probable suicide of F. Eaton Alden of No.

465 Ridge Street, News k, a passenger on the Fall River Line steamer Plymouth, was reported on the arrival of the steamer from New York to-day.

Blood stains on the wall of the state-room indicated that Alden had cut his throat, then ground his way to the rall in the face. the steamer from New York to-day.

Blood stains on the wall of the stateroom indicated that Alden had cut his
throat, then groped his way to the rail
and jumped overboard. Papers left in
the room, including a lette addrassed
to his wife and dated June, 1914, showed
that he had met with financial reverses.

Gets Life Term Day After Crime.

SAGINAW, Mich., April 2.—The law's delay had little to do with the case of Robert Smith. of Cleveland. who was sentenced to life imprisonment to-day sentenced to life imprisonment to-day and other sentences. Robert Smith, of Cleveland, who was sentenced to life imprisonment to-day for the murder late yesterday of Aira. Grace Steinhauser, of this city, to whom he was to have been married last night. Smith was serving his sentence less than twenty-four hours after killing his victim. He met Mrs. Steinhauser in the county jall recently, where he was serving a sentence for vagrancy.

COURT, POLICE SAY

HERLIN, (via Wireless to Lon don), April. 2 German successe in everal days' battling in L. Pretre woods, northeast of St Mibiel, have forced the French to evacuate nearly the entire forest according to official despatches 40 day. The enemy now holds only two blockhouses near the advanced positions of the Germans. Several French attacks in the

region were shattered yesterday by derman artillery. The enemy sufered heavy losses. Before the retreating French troops returned to their trenches the Germans charged and occupied several of the enemy

#### WORRY FOR THEIR MAYOR. Bergenfields Residents Are Antious

Over Operation on Dr. O'Nett. The residents of Bergenfields, N. J., ere awaiting with great anxiety the result of the operation to-day on their Mayor, Dr. J. Wilkes O'Neil. He is the only Mayor that ever reduced their taxes; he is the father of the New York and New Jersey Bridge Association and easily the most pop-

(Continued from First Page.)

Association and easily the most popular citizen in the county. He is sixty years old.

A stand fell with Dr. O'Neil and others on it early in November, 1913, in the midst of an active political campaign. Dr. O'Neil suffered an injury to his left leg. Three amputations were performed at long intervals, the last removing the leg above the knee.

#### BIG GAIN IN WHEAT EXPORTS.

It Indicates Europe Is Depending on the United States for Food. Exports of wheat and corn continue o rise to higher records than ever be-

fore and indicate that Europe is de-pending almost wholly on the United States for its breadstuffs. Wheat and flour shipped last week

Wheat and flour shipped last week amounted to 10,110,252 bushels, as compared with only 2,652,453 bushels the same week last year. Exports for the season to date are 310,000,000 bushels, as compared with 204,000,000 bushels last season.

Corn shipments showed even greater increase, being 1,288,000 bushels last week, as against only 85,000 bushels for the same week last year. Exports of corn for the season are ten times as large as for the previous season. me to a room where there were two officers, and the Chief came in. He

of crude rubber and selling it for of crude rubber and selling it for \$500. Ike Tolt, twenty-seven years old, of No. 273 Division Street, Brookiyn, is locked up in the tombs in default of \$3.500 bail. Tolt was arrested to-day, by Detective Russo, after his indictment by the Grand Jury. Jacob Witken, of the Witken Trucking Company, of No. 28 Burling Shp, which has had \$30,000 worth of property stolen during the last five years, caused Tolt's arrest.

Motorcyclist Bill Advanced in the

ALBANY, April 2.-The Cristman-Puess Bill licensing the State's 40,000 otorcyclists and fixing the annual fee "I am not interested in anarchy and don't remember having bought anarchistic books?" Carbone said on motorcyclists and fixing the annual fee at \$3 was advanced to third reading in the Assembly to-day. Assemblyman Milligan, it is mid, will offer an amendment to the measure, reducing the fee to \$2. The Federation of American Motorcyclists favors a system of licenses, but is fighting for a \$2 tax. In the Senate, where the bill still is in committee, a Republican caucus agreed upon a \$3 fee. "To you believe in the principles of anarchy?" he was asked. "I don't know if they are wrong or right; I have never studied them," he

### **AUSTRIANS** AND TURKS SEEK PEACE LONDON REPORTS

Proposals Said to Have Been Turned Down by the Rus-

sian Emperor.

LONDON, April 1.-Austria and Turkey are both seeking separate terms of peace, according to despatches published to-day in the Times and Daily Mail. The despatch intersibal troops feature, in the New Intersibal Liv. Francis C. Edger-in the Times is from Petrograd and is ton of No. 49 West Particip Street, who as follows:

"The Russky Blove prints & note of intimation that the Russian Government has been approached through neutral channels with overtures from Austria for a separate peace, with proposals to cade territory to Russia. It is added that this step is undertaken without the knowledge of Germany and that apparently Austria is animated by sincere intentions. These overtures are believed to have been confined to Russia.

"It is alleged that Swiss channels have been chosen for making the proposals and that Russia requested that they should be made in identical terms in London and Paris also before she would consent to consider

"The idea of the allies concluding peace with Austria apart from Germany is favorably regarded in influential circles here."

The Daily Mail's Vevay, Switzerland, correspondent says that Djavid Bey, the Turkish Minister of Finance, has arrived in Geneva from Berlin, The Geneva newspapers, according to the correspondent, declare that

Djavid's errand to Switzerland is to find out the terms upon which the ailies are willing to conclude a peace with Turkey. A despatch from Rome says the report is discredited by both the Turkish and Russian Ambassadors. The

why Turkey should seek peace. The Russian Ambassador is said to have declared his Government never would conclude a peace separately from Great Britain and France.

Muncle Officials Arrested.

MUNCIE, Ind., April 2.-Rollin H. Bunch, Mayor of Muncle: Herbert S. Maddy, President of the Police Board; Wm. A. Mclivane, Chief of Police, and Gene Williams, Deputy Prosecuting Attorney, were arrested yesterday on a joint Grand Jury indictment charging them with having demanded and accepted bribes. All gave bond. It is charged the proprietor of a cigar store and poolroom paid the officials 115 a week for protection while operating a gambling house and "blind tiger." ASSURANCES OV JAPAN.
